

PINE SQUARE VALIDATION PROGRAM

PARKING LOCATIONS

The Pine Square Parking Validation Program offers patrons up to 2 hours of free parking at designated garages when visiting the more than 100 participating retailers or restaurants, and up to 3.5 hours with an AMC Theater validation.

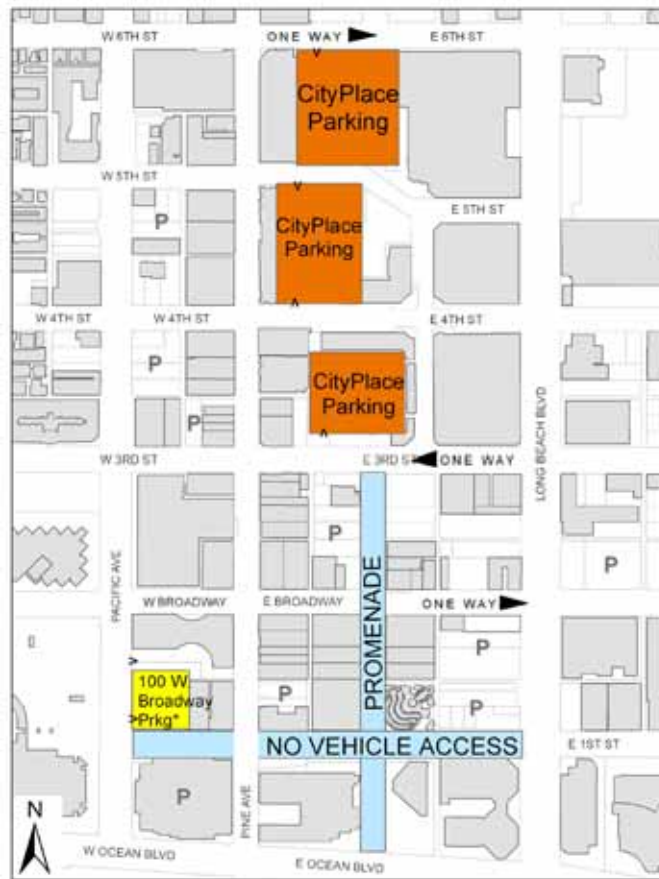

Look for the Orange P for validated parking.

The bright orange  is designed to easily identify validated parking in the Downtown area. The garages shown in orange accept the Pine Square validation at all times. The garage shown in yellow accepts the validation on nights and weekends.

Look for the orange  in the window and ask the merchants you visit to validate your parking ticket.

Enjoy your visit to Downtown Long Beach – and please come back again.
